A Word From: Pastor Troy Pomeroy

Right now as I'm typing away on my keyboard, I'm wondering how many of you, who are reading this little article, have an active social media profile?

There are literally billions of us using the various social media platforms to connect with one another on-line. The unfortunate part of this reality is; so many people in our culture settle for the illusion of community that they can achieve through social media. Though social media provides many creative ways for people to communicate, too many are using Facebook, Instagram, Twitter or another platform, to replace actual face to face interaction with other humans.

This is why, at Bethel Church, doing life together is far more than a catch phrase, it's a biblical conviction. We believe that God never meant for us to do life alone...and we want to encourage people to come out from behind their computer screens and get to know one another face to face. We are created to walk with others, grow with one another and glorify God together.

Life Groups provide a wonderful opportunity for people from all stages of life and backgrounds to come together, develop healthy connections and take the journey of faith. We invite you to find out how much better life can be in a Life Group. Stop by Life Group Central in the main lobby at Bethel to get started on this amazing journey of doing life together!

What do we do when God interrupts our lives? Many times, like Jonah, we run! When Jonah was willing to allow God to interrupt his life, the result was revival in an entire city. Sign up in the main lobby. Cost is \$20.
