### **A Word From: Pastor BJ Dale**

What an incredible year we already have had in 2019, but the year has just begun! We are looking forward to an exciting next few months as Revive Student Ministries undergoes some major changes and exciting opportunities!

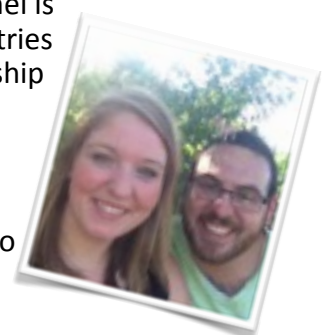

#### **SPEAKING OF EVENTS!**

We are ecstatic to announce that Bethel students will be representing 40 individual entries for the **2019 Amplify Fine Arts Conference**, which will take place on April 4th - 6th in Albany, OR. This is a record-breaking number of entries and we couldn't be more excited to walk with our students as they develop their gifts and prepare to share them with teenagers, leaders and pastors from all over Oregon. Amplify's purpose is to help teenagers discover their God given gifts, develop a biblically informed understanding of the purpose of the gift and deploy the gift in a manner that best stewards the gift. Depending on the overall score they receive, a student may get an invite to the National Fine Arts Ministry Conference which take place in Orlando, FL, July 28 - Aug 5, 2019. The Amplify Fine Arts and Bethel Student Ministries would love to have you partner with us in prayer for all of our students as they dive into this time of discovering, developing and deploying the gifts God has given them. If you'd like to help financially support a student to go to districts or nationals, please contact me to make arrangements!

#### **WE ARE CHANGING OUR NAME!**

Starting April 1st, Revive Students Ministries will be switching their name to Bethel Student Ministries. We believe this change will help create more cohesiveness and unity between the student ministries and Bethel Church as a whole. We do not desire to be a church or department within the church, but to be the church and serve the students and families of Bethel. This change will help students understand better that Bethel is their church home not just a youth program. Beginning Wed, April 3, Bethel Student Ministries will open its doors at 6pm rather than 4pm on Wednesday nights. This will give our leadership team time to meet, pray and prepare for students before their arrival. Our team is very excited about these changes as we believe they will bring fresh life and opportunity to our Wednesday night gatherings. With this schedule change, Bethel Student Ministries will no longer be serving dinner on Wednesday nights, so please be sure that your student eats before they come. Our concession will continue to be open and there will be opportunity to purchase food. All proceeds go to provide student scholarships for upcoming events.
