*Experience God.  
Walk with others.  
Serve the world.*

**Give a day's wage to help those in need!**

### **A Word From - Pastor Troy Pomeroy**

There are many things that I love about Bethel Church, but one of my favorite things about Bethel is our passionate commitment to serve the world.

It's exciting to see how we are able to fulfill that commitment through the partnerships we have with over 40 missionary families and missions organizations that are sharing the good news of Jesus in a variety of ways. One such partnership is with a ministry called Convoy of Hope. From disaster relief to feeding programs and education initiatives, Convoy is literally demonstrating the love of God to hundreds of thousands of people around the world, every day.

Each year we take up the challenge to help Convoy of Hope with an initiative called "One Day to Feed The World." "One Day to Feed The World" simply means that each one of us calculates what we earn in one day and then give that one day's salary in a designated offering. This one day of sacrifice on our part enables Convoy to continue to fund their feeding and education programs that literally helps transform every day for scores of children all around the world.

On May 5<sup>th</sup>, Heath Adamson, from Convoy of Hope, will be at Bethel to lead us in this amazing expression of generosity. Will you please consider taking part in this great opportunity we have as a church family to make a difference in the lives of hundreds of thousands of children? Thank you for the part you will play in helping us serve our world through Convoy of Hope!
